

## 2009 Massachusetts All State Audition Information

To Directors:

Please extend our congratulations to all students that have auditioned for the 2009 Massachusetts All State Music Festival. Audition results are now on the website, which may be accessed by the school system's contact person or directors that are designated to have access for their school.

On the *website* under "auditions", you will find:

- ~ **Cut-off scores** and numbers of students that auditioned by instrument or voice part.
- ~ **You can log in to get audition results for your students.**
- ~ **Advance concert ticket order forms.** Please include stamped, self-addressed envelopes with orders, and abide by the deadlines listed there. After that date, tickets will only be held at "Will Call" at Symphony Hall.
- ~ **Chaperone forms** are to be completed and sent to me as soon as possible if not given to the registration desk today. PLEASE NOTE THAT ALL CHAPERONES WILL BE ASSIGNED A TIME AND PLACE OF SUPERVISION DURING THE FESTIVAL – breakfast, lunch, dinner, or evening coverage. This will be done at All State Registration on Thursday morning, March 26<sup>th</sup>.
- ~ **Student medical / permission forms** should have been given to the registration desk at auditions. If you did not do so, please complete these forms and return them to me as soon as possible for all students that are accepted to the festival.
- ~ **Student Handbook** – rules, regulations, and procedures for the festival. Some are new this year. I would highly recommend that directors download and print copies of the handbook for each student participating in the festival.

Thank you for your continued dedication to our students. I look forward to seeing you in Boston in March.
